

KEY QUESTIONS: *HERMENEUTICS* ♦ PRE 501

1. Why should there be a graduate course in “hermeneutics?”

2. Why are people in the pews (and in the pulpit) not all that familiar with hermeneutics?

3. Just what does it mean to conduct hermeneutics well? Just what is “well?”

4. How do you know you have “failed” hermeneutically?

5. Besides credit hours toward your degree at Faith Theological Seminary and Christian College, what do **you** expect to gain by successfully completing PRE 501?
