JUST WHAT IS SYS 504

This 3 hour graduate course focuses on the nature and work of Jesus the Christ, the Father, and Holy Spirit as they function to design, define, and deliver soteriological significance to sentient human beings. Accordingly, SYS 504 is an in-depth study of salvation doctrine through the Christ. SYS 504 also studies *Paraclayton* (Παράκλητον; aka “Holy Spirit,” who like the Christ, is also a member of Trinity. Our study will help you to understand salvation from a Biblical perspective, beyond tradition, and consider the gifts and fruits of Holy Spirit with emphasis on how He works today.
